Description

This is our new release of the GZR-30-PLUS cc Zenoah Pro Mod engine. Since we were the first to make the 36mm marine engines We now have. It is the most powerful 36mm Pro Mod engine on the market. We have done endless testing of our new crankshafts and have that with our new port design and our 2021 **NEW RELEASE of our sole proprietary designed crank built for our engines only** You get the torque of the 35cc and the rpms of a 26cc. You show up at the lake with one of these you will hurt some feeling.

This is what you get

New 2019 port design 95% hand ground pro mod cyl done buy us at our shop.
