Description

Designed and configured for small-scale vehicles, Reedy's 1600mAh 30C LiPo battery can power the hottest brushless motors to incredible top speeds with ease. A factory-installed T-Plug connector with 14-gauge wires reduces power-robbing resistance, while an industry-standard JST XH balance connector makes balancing simple and convenient.

Fits:

CR12

Reflex 14B

Reflex 14T

Features:

- Compact size for small-scale vehicles
- Low-resistance T-plug connector
- JST XH balance connector
- Durable soft case sleeve
- Value priced
