Description

A multiple National Champion in the Lucas Oil Off Road Racing Series, Carl Renezeder is also the first driver in short-course racing history to win championships in both two-wheel drive and four-wheel drive classes during the same season. His impressive list of victories easily makes Carl Renezeder the winningest short-course driver ever!

After a seven-year partnership with Carl on 1:10-scale and 1:8-scale projects, Team Associated World Champion RC Cars and Team Renezeder join forces once again, to bring you more race-winning excitement in an even smaller package! Wrapped in Carl's signature Lucas

Oil race scheme, the SC28 comes complete with everything you need in one box - ready to rip around the corners, fly over the jumps and speed across the finish line!

The Qualifier Series is Team Associated's exciting new line of sport-level products that are designed to be FUN above all else, yet are lower cost, easy to use, durable, and provide an easy way to get into the RC hobby. When great looks and high performance are combined with quality features and value pricing, it becomes the ultimate sport product. When all this is offered from a company like Team Associated, it's nothing short of awesome.
