Description

Are you ready for an adrenaline explosion? Faster and more powerful than the Volcano SV, the 4WD Volcano S30 is equipped with a 3.0cc SH-18 2-stroke nitro engine and is ready to heat up the neighborhood. Screaming exhaust erupts from the performance header and tuned pipe, while you shiver from excitement! A durable 2.5mm aluminum alloy chassis provides a sturdy foundation for the Volcano S30's power and performance.

Eight aluminum capped oil filled coil over shocks and independent suspension offer rock solid performance as the soft compound monster truck tires throw dirt in your face. Fear not! Disc brakes and a 2.4GHz radio system ensure control, for those who dare to unleash the power of the Volcano!
